

CNS BOYS' LACROSSE BOOSTER CLUB MEETING
Minutes: June 12, 2008

Attendees: Sue Bracy, Tina Ashlaw, Michele Powers, Jody Barnes, Kelly Tucciarone, Michelle Miller,
Giovanna/John McCarthy, Michelle Fiorini, Peg Puma, Tina Haney, Terri Stimson

*Meeting called to order at 7:05.

Treasurer's Report: Current Balance as per Mike Lucia is \$467.00. Deposits not yet credited to account from Simmons Registration fees, candy sales, banquet ticket fees and other funds. Janet not available tonight for report.

Concession Stand: Concession stand profits: approximately \$1277. This is significantly lower than last year's profits of \$8800. Last year, concessions were our only fundraiser as CNS hosted many semifinal and state final games as well as the Exceptional Senior Games (6 days of stadium use). We hope for the best as far as the program's return to the CNS stadium.

Out-of-Season Fundraisers: Due to our lower-than-average end of year balance, summer car wash(es) were discussed to help defray costs. While boys are involved in summer Simmons league and SU Tournament, they will be recruited to participate. Tom Stimson has offered to coordinate dates to avoid conflicts with other programs this summer. Another possibility is a night at Chicago Uno or Applebee's. Peg will clear with Coach Aldrich.

Voting for Board Positions: Thank you to the following people who were voted unanimously as our new/returning board members:

-*President:* Peg Puma

-*Co-Vice Presidents:* Jody Barnes/ Michelle Fiorini

-*Treasurer:* Debbie Van Slyke

-*Secretary:* Janet Girard

JV/V Banquet: June 8: Banquet was a success. Terri Stimson will send a thank you note to Jeffrey at Paparazzi for the centerpieces.

*Sid George Memorial Award: Each year the Booster Club determines if there is a person worthy of this award that honors the memory of Sid George and celebrates his dedication and devotion to the boys lacrosse programs of the Cicero and North Syracuse areas. The entire CNS lacrosse community honored Lloyd Hamilton for his tireless efforts over the years. THANK YOU, LLOYD!!

Booster Club Liability Insurance Policy: was reviewed. Michele Powers and Peg Puma will investigate possible policy changes.

*Meeting adjourned at 8:19 p.m.

This was our final regular Booster Club meeting of the 07-08 year. We are planning on an executive meeting, with both the incoming and outgoing board members on Monday, June 23 at 7:00 PM at CNS HS cafeteria.
